FIRE ALARM SYSTEMS THAT DELIVER IT ALL

Protecting your premises from the risk of Fire is integral to your safety and that of your staff and customers as well as the protection of the development and growth of your company.

As an FIA approved system installer we offer a range of Fire Alarms installed to suit your needs including key-holder and Police response.

A Fire Alarm is not a luxury it's the law, be compliant, be safe, don't be another statistic.

In England the Fire and Rescue Services attended 527,000 fire and false alarm incidents in 2009-10
